## Iron Curtain Trail project closing conference

**South Transdanubian Regional Development Agency** participates as a partner in the ICT project that aims to define the path of the EuroVelo 13 international cycling route, to develop connections between cycling and public transport opportunities and to promote the future path among the potential target groups and stakeholders.

The **main purpose of the event** is to raise awareness about the significance of cycling tourism from European and Hungarian national perspective, to promote the genuine idea of the Iron Curtain Trail, including presentation of the project's main outputs and results.

The event will be held in **Mohács** – the town lying at the intersection of EuroVelo 6 and the future EuroVelo13.
